Important Disclosures

Primerica - U.S.

Primerica is the trade name of Primerica Financial Services, Inc. (United States).

The Business Opportunity

The Primerica business opportunity involves the sale of term life insurance and other financial services products such as mutual funds, variable annuities and debt consolidation loans. Primerica representatives are independent contractors, not employees of Primerica or any of its affiliates.

Personal Income

The cash flows stated are not intended to demonstrate the earnings of typical RVPs/representatives. Rather, the cash flows that have been cited reflect the potential that comes with building your business, and there is no guarantee that you will achieve any specific cash flow level. Most RVPs/representatives do not achieve the levels illustrated. In the 12-month period ending in December 2011, Primerica paid a total of \$504,514,944 in compensation to the sales force at an average of \$5,544 per licensed representative. Average RVP earnings are typically higher. Actual gross cash flow is, among other factors, dependent upon the size and scale of a representative's organization, the number of sales and the override spread on each sale, and the ability and efforts of you and your downlines. Having said this, Primerica provides a tremendous opportunity for individuals who work hard and who desire to develop a business with strong income potential.
