Wait, so I only have to pay shipping and handling? YES! I totally *just* ordered my free canvas and it cost me \$14.95 for S&H! I have a whole set of photos that I really wanted to put up and now, well, one down baby. The ordering process only took 5 minutes from start to finish and this was the message I received right after:

Time Frame: Normal time frame to get your order is 9 business days (give or take a few days, depending on your location).

Tracking: We will email you a Tracking # when your canvas has been picked up from our facility and shipped.

Be sure to add CanvasPeople@email.canvaspeople.com to your email safe sender list. We want to be sure you receive all updates on your order and information on the status of your canvas shipment.

The Process: Your order has been received. We just sent it to our technicians to make sure your photo is right for transferring to a canvas. If there is an issue, we'll let you know via email. Once your photo is approved, our technicians will work to put it on canvas. If you chose an art technique, it will take an extra day or 2 to get your photo ready for production. Once all is good, our artist will carefully transfer your photo to canvas. Once that is done, we coat it with a UV protectant and let it sit for a day to dry. Then, we delicately place it in a box or nice bubble wrap envelope for delivery to your door.

We truly hope you enjoy your Canvas and come back for more soon. **Canvas Art makes a Great Gift for Any Occasion!**

Talk about thorough! They gave me all kinds of answers I'd normally have to search for.

I am so excited to get my canvas in the mail. I bet this would make a great gift, I just didn't feel much like sharing this time 😊

Make sure you take advantage of this great offer!

I love the look of Canvas Art! This would be so cool to give as a gift for Mother's Day . Canvas on Demand has implemented lots of ways to help you choose and showcase your perfectly captured moment. There is a program on the site called [Operation Hi Honey](#) (also Hi Mom!), for troops to send a free canvas to their loved ones while deployed! Neat company!
