Important Disclosures

Primerica

Primerica is the trade name of Primerica Financial Services, Inc. (United States) and of Primerica Financial Services Ltd. (Canada) and PFSL Investments Canada Ltd.

The Business Opportunity

The Primerica business opportunity involves the sale of term life insurance and other financial services products such as mutual funds, variable annuities and debt consolidation loans. Primerica representatives are independent contractors, not employees of Primerica or any of its affiliates.

Personal Income

Any cash flows or success stories stated are not intended to demonstrate the earnings or success levels of typical RVPs/representatives. Rather, they reflect the potential that comes with building your business, and there is no guarantee that you will achieve any specific cash flow or success level. Most RVPs/representatives do not achieve the cash flow or success levels illustrated. In the 12-month period ending in December 2008, Primerica's sales force consisted of approximately 100,000 life-licensed representatives, to whom the Company paid a total of \$622,000,000 in compensation, an average of \$6,220 per licensed representative. Average RVP earnings are typically higher. Actual gross cash flow is, among other factors, dependent upon the size and scale of a representative's organization, the number of sales and the override spread on each sale, and the ability and efforts of you and your downlines. Having said this, Primerica provides a tremendous opportunity for individuals who work hard and who desire to develop a business with strong income potential.
