

Statement of Independent Coach Earnings (U.S.)

December 26, 2019 – December 30, 2020¹

Team Beachbody rewards our independent Coaches for retail sales of our proven fitness videos, nutritional content and nutritional supplements via a 15-50% retail commission program. Coaches who sell our products to others can also be rewarded through a binary compensation plan which pays bonuses at the Development and Leadership Ranks of Emerald Coach and above. A large number of our Coaches choose not to build a business, but rather join for the opportunity to purchase and enjoy Beachbody products and programs at wholesale pricing. The flexibility and earning potential of the Team Beachbody opportunity allows its Coaches to choose whether they want to take advantage of the personal fitness and health benefits of the Beachbody products, earn supplemental income by participating in the Team Beachbody opportunity on a part-time basis, or focus their full-time attention on the opportunity to try to maximize their income potential. Participating in the Team Beachbody opportunity is similar to using any of our Beachbody fitness programs: results will vary depending on the time, dedication and effort you put into them. Participating as a Team Beachbody Coach requires hard work and there are no guarantees of success or earning any amount of income at all. However, there is a genuine opportunity for individuals willing to dedicate the time and diligence to develop customers interested in purchasing Beachbody products and mentoring others to do the same.

The earnings listed below do not include any expenses incurred by a Coach in operating and growing their business which can widely vary. Team Beachbody Coach Development ranks include Emerald and Ruby, and Leadership Ranks include Diamond and Star Diamonds (one through fifteen), all of which are eligible to earn several types of bonuses. Additional leadership bonuses are available to Coaches who achieve certain Star Diamond qualifications.
