PROBABLE CAUSE:

Complainant prays that said defendant be dealt with according to law. Complainant is a sworn officer with the Washington County Sheriff's Department and bases this complaint upon review of official police reports prepared by fellow sworn law enforcement officers.

Deputy Amber Thompson reported that on Tuesday, February 25, 2025, at approximately 7:52 pm she responded to the report of a vehicle crash in which a witness observed a vehicle travelling north on Division Road, travel through the stop sign at County Tk NN without stopping and travel into the field on the north side of County Tk NN in the Town of Jackson, Washington County, Wisconsin,

Deputy Brennan Kulibert reported that he arrived at the scene of the above-described crash and located the suspect vehicle approximately fifty yards into a field located on the north side of County Tk NN, in front of Division Road. Deputy Kulibert reported that he observed there to be a sole occupant of the vehicle who was seated in the driver's seat and was later positively identified as Luann Moraski, the defendant herein. Deputy Kulibert reported that he observed the vehicle to be running with the tires spinning and the engine revving. Deputy Kulibert reported that upon speaking with the defendant he observed her to have very slurred speech

and glossy eyes. Deputy Kulibert reported that upon asking the defendant to exit the vehicle the defendant stumbled, and Deputy Kulibert caught her to prevent her from losing her balance. Deputy Kulibert reported that he observed five open yellow New Belgium Voodoo Ranger Tropic Force beer cans in the field just to the rear of the vehicle and further observed, inside the vehicle, behind the passenger seat, a six-pack case of yellow New Belgium Voodoo Ranger Tropic Force beer which contained one unopened can.

Deputy Thompson reported that she arrived at the scene of the crash and detected a strong odor of intoxicants coming from the interior of the suspect vehicle. Deputy Thompson reported that she spoke with the defendant at which time she observed the defendant to have slow and slurred speech and confusion. Deputy Thompson reported that the defendant stated that she was coming from Su Casa Grande where she had consumed one margarita. Deputy Thompson reported that she asked the defendant why her car was in the field and the defendant stated, "I totally ran through the stop sign".

Deputy Thompson reported that she had the defendant perform several different Standardized Field Sobriety Tests during which the defendant exhibited numerous indicators that her ability to operate a motor vehicle was impaired. Deputy Thompson reported that the defendant submitted to a Preliminary Breath Test the result of which indicated that the defendant had 0.263 grams of Ethanol in 210 liters of her breath.

Deputy Thompson reported that she then took the defendant into custody for Operating a Motor Vehicle while Impaired and read the defendant the Informing the Accused Form after which the defendant consented to a chemical test of her blood. Deputy Thompson reported that the defendant was then transported to Froedtert West Bend Hospital where, at 9:36 pm, Medical Lab Assistant, SW, obtained a sample of the defendant's blood.

Deputy Thompson reported that a record check was conducted with the Wisconsin Department of Transportation, Motor Vehicle Division which indicated that the defendant had three prior convictions for an Operating While Impaired offense since January 1, 1989, to wit:

- On January 19, 2011, for an offense that occurred on December 22, 2010;
- On October 5, 2012, for an offense that occurred on July 23, 2012;
- On March 2, 2021, for an offense that occurred on July 13, 2020.

Based on the foregoing, the complainant believes this complaint to be true and correct.
