Wisconsin Medical Examining Board
P.O. Box 8366

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Wisconsin Medical Examining Board (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Respondent Luann Moraski, D.O. (Year of Birth 1968) is licensed to practice medicine and surgery in the state of Wisconsin, having license number 38775-21, first issued on May 23, 1997, with registration current through October 31, 2021.¹ Respondent's most recent address on file with the Department of Safety and Professional Services (Department) is in Milwaukee, Wisconsin 53217-4323.

2. At all times relevant to this proceeding, Respondent was practicing as a physician at a clinic in Mequon, Wisconsin (Clinic).

¹ Respondent has applied to renew her license, which remains active, but the renewal process first requires the resolution of this pending disciplinary matter.

3. On September 18, 2013, the Board resolved case number 13 MED 180 by entering Final Decision and Order 0002624 against Respondent (2013 Order). The 2013 Order was based on Respondent's January 2013 misdemeanor conviction for Operating While Intoxicated (OWI) and a December 2012 incident where Respondent practiced medicine while intoxicated.

4. The 2013 Order suspended Respondent's medical license for a minimum of five years, with conditions allowing a stay of the suspension contingent on Respondent's successful compliance with terms that were the same or similar as set forth below, including AODA treatment, practice restrictions, and reporting requirements.

5. Respondent was compliant with the terms of the 2013 Order upon its issuance and the Board stayed the suspension of Respondent's medical license contingent on her ongoing compliance with the 2013 Order.

6. On September 20, 2018, the Board entered an Order Granting Full Licensure based on Respondent's five years of successful compliance with the 2013 Order. The Board returned Respondent's medical license to full unrestricted status and removed all the limitations and encumbrances of the 2013 Order.

7. On July 13, 2020, Respondent was arrested for OWI (3rd) and on March 3, 2021 was convicted of misdemeanor OWI (3rd) in Milwaukee County Circuit Court case number 20-CT-973.

8. Respondent relapsed with alcohol in late 2019 but has been sober since July 2020. She provided a letter from her treating psychiatrist dated August 5, 2020, which indicates Respondent was participating in AODA inpatient treatment, individual therapy, and group meetings, and "is able to practice medicine safely."

9. Respondent subsequently provided a letter dated March 3, 2022, from the AODA treater to whom Respondent was referred by her treating psychiatrist. The AODA treater is licensed as an LCSW, CSAC, and an ICS. His letter states he has treated Respondent since August 2020 and currently sees her bi-weekly. He states Respondent has maintained sobriety since she began treatment with him and that "her current prognosis is excellent as long as she continues to implement and maintain the recovery skills she has learned and practiced for the past 1.5 years."

10. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.

CONCLUSIONS OF LAW

1. The Board has jurisdiction to act in this matter pursuant to Wis. Stat. § 448.02(3), and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

2. By the conduct described in the Findings of Fact, Respondent violated Wis. Admin. Code § Med 10.03(3)(i) by being convicted of any laws or rules of this state, or of any

other state, or any federal law or regulation that is substantially related to the practice of medicine and surgery.

3. As a result of the above conduct, Respondent is subject to discipline pursuant to Wis. Stat. § 448.02(3).

ORDER

1. The attached Stipulation is accepted.

2. This Final Decision and Order (Order) is effective on the date of its signing.

3. The license to practice medicine and surgery issued to Respondent (license number 38775-21) is **SUSPENDED** as follows:

SUSPENSION

A.1. The license of Respondent to practice as a physician in the state of Wisconsin is **SUSPENDED** for an indefinite period.

A.2. Respondent shall mail or physically deliver all indicia of Wisconsin licensure to practice as a physician to the Department Monitor within 14 days of the effective date of this order. Limited credentials can be printed from the Department of Safety and Professional Services website at <http://dsps.wi.gov/>.

A.3. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active practice for every year the suspension is stayed, the Board may grant a petition by the Respondent under paragraph D.6. for return of full Wisconsin licensure. The Board may, on its own motion or at the request of the Department Monitor, grant full Wisconsin licensure at any time. At the Board's discretion, the 5-year period may be started anew for every substantial or repeated violation of any provision of Sections C or D of this Order.

STAY OF SUSPENSION

B.1. The suspension of Respondent's Wisconsin license is hereby stayed based upon Respondent having provided proof, which is determined by the Board or its designee to be sufficient, that Respondent has been in compliance with the provisions of Sections C and D of this Order, for a period of at least sixty (60) consecutive days prior to the date of this Order.

B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in violation of any provision of this Order. The Board or its designee may, in conjunction with any removal of any stay, prohibit Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.

- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
- (a) Mailing to Respondent's last-known address provided to the Department of Safety and Professional Services (Department) pursuant to Wis. Stat. § 440.11; or
 - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.

CONDITIONS AND LIMITATIONS

Treatment Required

- C.1. Respondent shall enter into, and shall continue, drug and alcohol treatment with a treater acceptable to the Board or its designee (Treater). Respondent shall participate in, cooperate with, and follow all treatment recommended by Treater.
- C.2. Respondent shall immediately provide Treater with a copy of this Order and all other subsequent orders.
- C.3. Treater shall be responsible for coordinating Respondent's rehabilitation and treatment as required under the terms of this Order, and shall immediately report any relapse, violation of any of the terms and conditions of this Order, and any suspected unprofessional conduct, to the Department Monitor (See D.1., below). If Treater is unable or unwilling to serve as required by this Order, Respondent shall immediately seek approval of a successor Treater by the Board or its designee.
- C.4. The rehabilitation program shall include individual and/or group therapy sessions at a frequency to be determined by Treater. Therapy may end only with the approval of the Board or its designee, after receiving a petition for modification as required by D.5., below.
- C.5. Treater shall submit formal written reports to the Department Monitor on a quarterly basis, as directed by the Department Monitor. These reports shall assess Respondent's progress in drug and alcohol treatment.

Releases

- C.6. Respondent shall provide and keep on file with Treater, all treatment facilities and personnel, laboratories and collection sites, current releases complying with state and federal laws. The releases shall allow the Board, its designee, and any employee of the Department to: (a) obtain all specimen screen results and patient health care and treatment records and reports, and (b) discuss the progress of Respondent's treatment and

rehabilitation with Treater, treatment facilities and personnel, laboratories and collection sites. Copies of these releases shall immediately be filed with the Department Monitor.

AA/NA Meetings

- C.7. Respondent shall attend Alcoholics Anonymous and/or Narcotics Anonymous meetings or an approved equivalent program for recovering professionals, at the frequency recommended by Treater, but no less than twice per week. Attendance of Respondent at such meetings shall be verified by the speaker or chair and reported quarterly to Treater and the Department Monitor.

Sobriety

- C.8. Respondent shall abstain from all personal use of alcohol.
- C.9. Respondent shall abstain from all personal use of controlled substances as defined in Wis. Stat. § 961.01(4), except when prescribed, dispensed, or administered by a practitioner for a legitimate medical condition. Respondent shall disclose Respondent's drug and alcohol history and the existence and nature of this Order to the practitioner prior to the practitioner prescribing the controlled substance. Respondent shall, at the time the controlled substance is prescribed, immediately sign a release in compliance with state and federal laws authorizing the practitioner to discuss Respondent's treatment with, and provide copies of treatment records to, Treater and the Board or its designee. Copies of these releases shall immediately be filed with the Department Monitor. Respondent shall disclose the name and address of such practitioner to the Department Monitor within five (5) business days of receipt of a prescription for controlled substances.
- C.10. Respondent shall provide the Department Monitor with a list of over-the-counter medications and drugs that she may take from time to time. Respondent shall abstain from all use of over-the-counter medications, products, or other substances (including but not limited to natural substances, such as poppy seeds or any products containing alcohol) which may mask consumption of controlled substances or alcohol, create false positive screening results, or otherwise interfere with Respondent's test results, treatment, or rehabilitation, unless ordered by a physician and approved by Treater, in which case the drug must be reported as described in paragraph C.11. It is Respondent's responsibility to educate herself about the medications and substances which may violate this paragraph, and to avoid those medications and substances.
- C.11. Respondent shall report to Treater and the Department Monitor all prescription medications and drugs taken by Respondent. Reports must be received within twenty-four (24) hours of administration, fill, or refill of the medication or drug, and shall identify the person or persons who prescribed, dispensed, administered, or ordered said medications or drugs. Each time the prescription is filled or refilled, Respondent shall immediately arrange for the prescriber or pharmacy to fax and mail copies of the prescription to the Department Monitor.

Drug and Alcohol Screens

- C.12. Respondent shall enroll and begin participation in a drug and alcohol monitoring program which is approved by the Department (Approved Program).
- C.13. At the time Respondent enrolls in the Approved Program, Respondent shall review all rules and procedures made available by the Approved Program. Failure to comply with all requirements for participation in drug and alcohol monitoring established by the Approved Program is a violation of this Order. The requirements shall include:
- (a) Contact with the Approved Program as directed on a daily basis, including vacations, weekends, and holidays.
 - (b) Production of a urine, blood, sweat, nail, hair, saliva, or other specimen at a collection site designated by the Approved Program within five (5) hours of notification of a test.
- C.14. The Approved Program shall require the testing of specimens at a frequency of not less than forty-nine (49) times per year (one of which may be a hair test at the Board's discretion), for at least the first year of this Order. Thereafter the Board may adjust the frequency of testing on its own initiative at any time, and/or Respondent may petition for modification of testing frequency per paragraph D.5.
- C.15. If any urine, blood, sweat, nail, hair, saliva, or other specimen is positive or suspected positive for any controlled substances or alcohol, Respondent shall promptly submit to additional tests or examinations, as the Board or its designee shall determine to be appropriate, to clarify or confirm the positive or suspected positive test results.
- C.16. In addition to any requirement of the Approved Program, the Board or its designee may require Respondent to do any or all of the following: (a) submit additional specimens; (b) furnish any specimen in a directly witnessed manner; or (c) submit specimens on a more frequent basis.
- C.17. All confirmed positive test results shall be presumed valid. Respondent must prove, by a preponderance of the evidence, an error in collection, testing, fault in the chain of custody, or other valid defense.
- C.18. The Approved Program shall submit information and reports to the Department Monitor as directed.

Practice Limitations

- C.19. Respondent may work as a physician or other health care provider in a setting in which Respondent has access to controlled substances. If Treater subsequently recommends restrictions on such access, the Board or its designee may impose such restrictions.

- C.20. Respondent shall practice only under the direct supervision of a licensed physician or other licensed health care professional, approved by the Board or its designee, who has received a copy of this Order.
- C.21. Respondent shall practice only in a work setting pre-approved by the Board or its designee. Requests for pre-approval must be accompanied by a current job description, name and contact information of the direct supervisor, and written acknowledgment from the employer that a copy of this Order and any subsequent orders modifying this original Order have been received and that the restrictions will be accommodated.
- C.22. Respondent shall practice only under the oversight of a Professional Mentor approved by the Board.
- C.23. Respondent is responsible for obtaining a Professional Mentor acceptable to the Board. Professional Mentor shall have no prior or current business or personal relationship with Respondent, or other relationship that could reasonably be expected to compromise the ability of the monitor to render fair and unbiased reports to the Department (including but not limited to any bartering relationship, mutual referral of patients, etc.). A Professional Mentor shall be actively practicing in Respondent's field of practice, hold a valid Wisconsin license, shall be board certified by an ABMS-recognized board in a specialty relevant to Respondent's field of practice, and shall have read this Final Decision & Order and agree to be Respondent's Professional Mentor.
- C.24. Oversight by the Professional Mentor shall include weekly meetings, review of charts selected by the Professional Mentor, and any other actions deemed appropriate by the Professional Mentor to determine that Respondent is practicing in a professional and competent manner.
- C.25. Respondent shall arrange for her Professional Mentor to provide formal written reports to the Department Monitor on a quarterly basis, as directed by the Department Monitor. These reports shall assess Respondent's work performance. Respondent's Professional Mentor shall immediately report to the Department Monitor and the Respondent's Supervising Health Care Provider any conduct or condition of the Respondent which may constitute unprofessional conduct, a violation of this Order, or a danger to the public or patient. If a report indicates poor performance, the Board may institute appropriate corrective limitations, or may revoke a stay of the suspension, in its discretion.
- C.26. The Professional Mentor may designate another qualified physician or other health care provider to exercise the duties and responsibilities of the Professional Mentor in an absence of up to three weeks. If the absence will exceed three weeks, the Professional Mentor must obtain approval of the Board or its designee before delegating the mentoring duties under this Order.
- C.27. In the event that the Professional Mentor is unable or unwilling to continue to serve as Respondent's professional mentor, the Board may in its sole discretion select a successor Professional Mentor.
- C.28. The Professional Mentor shall have no duty or liability to any patient or third party, and the Mentor's sole duty is to the Board.

- C.29. Respondent shall report to the Board any change of employment status, residence, mailing address, email address, or telephone number within five (5) days of the date of a change. This report shall not be considered formal change of address notification pursuant to Wis. Stat. § 440.11.
